

Greenways are Safe Healthy Streets

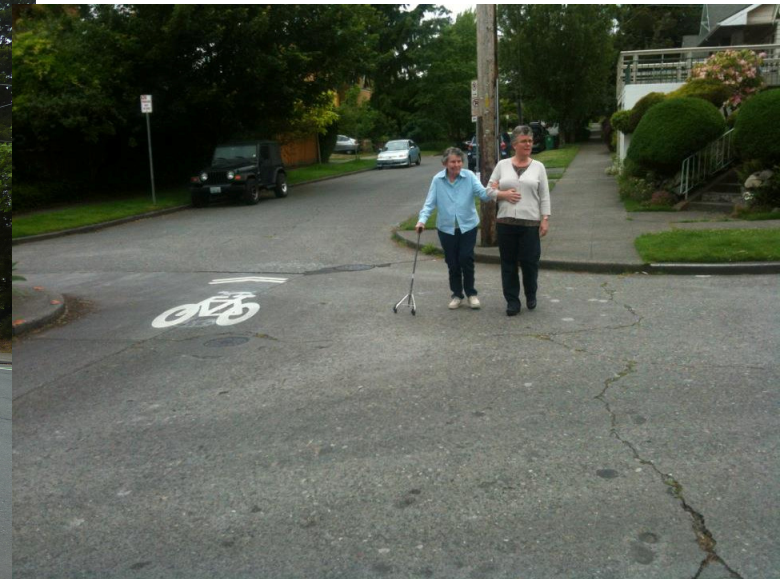

**Goal of a linked network
of Safe Healthy Streets
connecting Seattle by 2022.**

Safe Streets for People

- Most vulnerable: Children & Seniors (in 2010)
 - 15% in Seattle under 18
 - 11% in Seattle over 65

Greenways Go to School

Safe Routes to Transit

This is not a Greenway (Cedro-Wooley Truck apron)

Crowd-Sourced Mapping

- We want representation from the freight community – we need your partnership.
- Local businesses in every neighborhood depend on efficient freight mobility. We want to learn better how to accommodate the needs of delivery drivers and through drivers.
- We share the goal of making Seattle efficient, safe, and predictable.
